## CONSTRUCTION AT ALIRA UNDERWAY!!

11th November 2015.

Welcome to the first Construction Update for Alira at Berwick.

We are just as excited as you to see the south-east's most exclusive address starting to take shape; and with that in mind, we are committed to keeping you up-to-date with what is taking place at your future address.

Construction is well underway, with significant bulk earthworks, including levelling, for Stage 1 progressing. With completion earmarked for mid-2016, construction vehicles and equipment will continue to be onsite six days per week to ensure our development timeline is met.

Works for Stage 1 also include the partial upgrade of Centre Road and the landscaping of Alira's luscious streetscapes.
